OUR MUSIC EDUCATION COURSEWORK DEVELOPS YOUR UNDERSTANDING IN:

- Teaching methods
- Curriculum design
- Assessment
- Special needs learners
- Learning theories
- Classroom management

MENTORED BY THE BEST

Benefit from our low faculty-to-student ratios, which provide you with the opportunity to work closely with our renowned faculty and highly experienced music teaching assistants. You can expect personalized mentorship at Frost. You will be mentored through field experiences in school and community music programs.

You will have the chance to build a robust network of music education professionals in Miami, one of the largest school districts in the country. Explore opportunities to work while you study in various community music programs, such as the Miami Children's Chorus, Seraphic Fire's Education, and Shalala MusicReach.

Upon successful completion of our 4-year program, you'll earn the Bachelor of Music in Music Education degree with a minor in education, endorsed by the Florida State Department of Education for certification. With careful planning and adherence to requirements, you can augment your degree with an additional minor.

YOUR SUCCESS, OUR PRIDE

Our graduates have achieved remarkable success as K-12 music educators, community music leaders, music education entrepreneurs, arts administrators, and professors. We take immense pride in our job placement rate for those seeking employment in schools.

"The UM Music Education program prepares students to enter the profession with the skills and knowledge to teach every child. I was fortunate to be able to reap the benefits of current research and implement ideas and developments in teaching music."

Cynthia Kohanek, music teacher, 2024 Florida Elementary Music Teacher of the Year

"The music education program at Frost crafted me into a well-rounded, empathetic, culturally responsive educator, and for that, I am so appreciative. The professors and the mentor teachers guided me every step of the way and really taught me what it meant to be such an important figure in the lives of our children. I love what I do and I am grateful to Frost for getting me there!"

Avery Chapman, music teacher, singer/songwriter, 2024 Rookie Teacher of the Year
